

New Source Review newspaper advertisements for construction permit applications, September 1, 2016. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications were published on one of the following dates: August 31, 2016, or September 1, 2016. Public notices are generally published every week. The previous publication of public notices was August 25, 2016.

PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-3-9-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15th Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 2nd Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (866) 253-5827 (toll free) or (615) 532 0200. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

The applicant is Kroger Limited Partnership I with a mailing address of 2620 Elm Hill Pike, Nashville, TN 37214. They seek to obtain an air contaminant permit (Division identification number: 74-0178/971926) for modification of an existing gasoline dispensing facility located at 2600 Memorial Boulevard, Springfield, TN 37172. This modification consists of one (1) 10,000-gallon diesel underground storage tank, two (2) dispensers containing four (4) nozzles, and associated gasoline dispensing equipment. Stage I gasoline vapor recovery would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Ms. J. Pratt is the assigned Division person.

For Robertson County "Robertson County Times"-- publish once on Wednesday, August 31, 2016.

The applicant is East Tennessee State University with a mailing address of P.O. Box 70653, Johnson City, TN 37614. They seek to obtain an air contaminant permit (Division identification number: 90-0029-12/71939) for modification of Emergency Generators at 1380 Jack Vest Drive, Johnson City, TN 37614. This existing operation consists of thirteen (13) emergency generators. The modification is to add one diesel-fired emergency generator. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants will be emitted by this source. Ms. O. Jacobsen is the assigned Division person.

For the Washington County "Johnson City Press"-- publish once on Thursday, September 1, 2016.
